Golf Course Volunteers Needed!

Hastings Elks Country Club is looking for a few volunteers that would be willing to help with a couple of tasks during the peak golf season:

1. **FILL WATER COOLERS.** There are six water coolers on the course that need to be filled on Tuesdays, Thursdays and Saturdays during the summer. We don't expect this to take more than an hour.
2. **STARTING MARSHALL:** On Saturday and Sunday, we would like to experiment with a Starting Marshall. This volunteer would see that golfers start at their scheduled tee time on #1 and #10.

SIGN-UP SHEETS ARE AT THE PRO SHOP COUNTER!

Golf Member Poll

Course Manager, Ben Meyer, would like to poll our golfers regarding the possible removal of the two small trees in the #1 fairway, west of the creek.

There are two reasons Ben is interested in removing these trees:

1. Removing them will make mowing the fairway more efficient, and save a significant number of man-hours over the course of the mowing season.
2. Given current conditions, these trees are likely to become diseased within the next few years, and removal at some point is inevitable.

To participate in the Poll, go to HastingsElksGolf.com/poll.

Please, only one vote per member.
